

Columbia Public Library is a dynamic portal to reading enjoyment, lifelong learning, and services that foster the well-being of our community.

Dear Friend of the Library,

As a cultural icon, the Columbia Public Library is the gem of Columbia, according to Columbia Mayor Leo Lutz. Over the years, the community has blessed the library with many pieces of art and book collections that we have treasured. With our recent expansion and the addition of more shelving for books, our space to store and display is limited. Our 2nd Annual Art Auction will be held on Sunday, May 15, 2022, which will help us continue to de-acquisition some of the pieces, as well as many donations from our local contemporary talent. Auction items will be available for preview at 1:30 pm, and bidding will start at 3:00 pm. The art auction will maintain the integrity of the pieces for the future, while giving collectors an opportunity to own these beloved pieces. The library will maintain a number of pieces to display in the library for the benefit of the community.

The art auction will benefit the library as a fundraiser, as well as help preserve the artwork that will be displayed at the library.

If you are interested in supporting the art auction, please complete the enclosed sponsorship form.
